In his fifth season at K-State, the 2020 campaign was divided among the fall and spring. The Wildcats played its Big 12 slate in the fall and recorded a program-best 3-6-0 mark in league action and a program-high seventh-place finish.

During the 2020 season, the K-State program achieved a pair of program milestones. K-State's saw its first international professional signee, as defender Silke Bonnen signed a contract with HB Koge in the Danish League.

After Bonnen's signing, K-State's Brookelynn Entz became the first Wildcat to be drafted into the NWSL as she was selected by Kansas City NWSL in the fourth round of the 2021 NWSL Draft. Entz, a 2020 All-Big 12 First Team selection, was the program's first MAC Hermann Trophy candidate and was named to the 2020-21 United Soccer Coaches All-Midwest Region Third Team.

During the fourth season of action for K-State soccer, the Wildcats tallied a record of 3-13-2, but set several program highs including: total shots and total shots per game in a season with 276 and 15.3 per game, set the school record for corner kicks in a season and corner kicks per game with 95 and 5.28, respectively, tied the school records for goals scored in Big 12 matches (6) and assists in Big 12 matches (4). K-State also finished with the second-highest assist total in program history with 12 and the second-highest total of players with an assist in a season with nine. Kansas State also notched the second-highest total shots on goal (106) and total shots on goal per game (5.89) in program history.

At the conclusion of the season, Entz garnered All-Big 12

The Wildcats also recorded their first Senior CLASS Award All-America selection (Entz) and United Soccer Coaches NCAA Division I Women Scholar All-West Region recipient (Entz).

During the fourth season of action for K-State soccer, the Wildcats tallied a record of 3-13-2, but set several program highs including: total shots and total shots per game in a season with 276 and 15.3 per game, set the school record for corner kicks in a season and corner kicks per game with 95 and 5.28, respectively, tied the school records for goals scored in Big 12 matches (6) and assists in Big 12 matches (4). Kansas State also notched the second-highest total shots on goal (106) and total shots on goal per game (5.89) in program history.

At the conclusion of the season, Brookelynn Entz garnered All-Big 12 Second Team honors from the league's coaches.

In the classroom, K-State placed a program-record 16 student-athletes on the Academic All-Big 12 teams including 14 Academic All-Big 12 First Team selections.

In the program's third season in 2018, K-State registered a 4-12-2 record. The Wildcats secured the first three-match winning streak to open a season. As a result of the winning streak, K-State received votes in the United Soccer Coaches poll for the first time in program history.

In 2017, Dibbini guided the Wildcats through its first official Big 12 season and staked K-State to a program record 6-11-1 overall mark and a 1-8-0 record in Big 12 play.

K-State had its first postseason league honor, as Hannah Davis was named to the All-Big 12 Freshman Team. The Wildcats were also successful in the classroom, as 10 student-athletes were named to the Academic All-Big 12 teams.

In the program's first season in 2016, Dibbini led the Wildcats to a 4-9-3 overall record. K-State secured the first win in program history and Dibbini's first NCAA Division I win at Oakland on Aug. 26, 2016.

At the conclusion of the first season, three Wildcats were named to the Academic All-Big 12 Team - Kim Braddock, Miranda Larkin and Addie Jenkins.

Dibbini was hired in December of 2014 as Kansas State's first intercollegiate women's soccer coach and guided the program through the year and a half process of forming a program from the ground up.

Prior to becoming the inaugural head coach at K-State, Dibbini built winning programs and successful student-athletes at the NCAA Division II and NAIA levels. He is a 12-time conference coach of the year who led Kansas Wesleyan and Cal Poly Pomona to 13 postseason tournament appearances and an overall career winning percentage of .750 as a collegiate head coach (265-78-25). Dibbini coached eight years at KWU leading both the men's and women's programs before moving to Pomona in 2013.

In just his second year at Cal Poly Pomona in 2014, Dibbini directed the Broncos to their best season in 15 years with a 15-6-1 record and a No. 16 national ranking, the second-highest in program history. Cal Poly Pomona advanced to the Division II West Region title game in the third round of the NCAA Tournament and produced six all-conference performers including the school's fourth-ever All-American.

Charged with the task of rebuilding the Bronco program when hired in 2013, Dibbini's first team posted a 6-7-5 record. Cal Poly Pomona made tremendous strides in year two not only on the playing field but in the classroom as well. The National Soccer Coaches Association of America (NSCAA) recognized the efforts of the Broncos with a pair of Team Academic Awards for the 2012-13 and 2013-14 academic years.

At Kansas Wesleyan, Dibbini served as the Director of Soccer Programs from 2005-12 for both the men's and women's teams. Combined, he amassed a record of 244-65-25 (.768) and in conference play, his teams went 133-7-4 (.938) while capturing 12 regular-season titles and 12 tournament titles.

The Kansas Wesleyan women's team posted a record of 126-30-14 under Dibbini and, in 2012, the Coyotes were 20-2 overall en route to capturing the league's regular-season and tournament titles and Kansas Collegiate Athletic Conference (KCAC) Coach of the Year and Regional Coach of the Year recognition for Dibbini.

Dibbini also helped KWU secure a berth in the 2012 NAIA Women's Soccer National Championship Opening Round, where Kansas Wesleyan defeated Benedictine to advance to the NAIA National Championship Final site in Orange Beach, Ala. It marked the second time in the Opening Round era that the Coyotes had reached the Final Site, the first in 2008.

The KWU women's squad won three-straight regular season championships in 2006, 2007 and 2008 while going undefeated during that span, and won four-consecutive conference tournament championships in 2005, 2006, 2007 and 2008 before adding another in 2010.

The Kansas Wesleyan men's soccer team finished the 2012 season with a 16-3-2 record overall, winning both the KCAC regular season and tournament championships for a third-straight season and advancing to the NAIA Men's Soccer National Championship Opening Round for a third-consecutive year. Dibbini earned his sixth KCAC Coach of the Year accolade in 2012 and through his eight seasons, the men's team went 118-36-11 overall.

Prior to coaching at KWU, Dibbini was the Boys' and Girls' Soccer Coach at Salina Central High School in Salina, Kansas, from 1999 through 2006 and also helped develop the Salina Soccer Academy youth program. In 2006, he was named the AVCTL Division I Coach of the Year. In 1999, he received the Kansas State Youth Soccer Boys Coach of the Year award. During his time with the Salina Soccer Academy, Dibbini coached eventual 2019 USWNT goalkeeper, Women's World Cup champion and NWSL Goalkeeper of the Year Adrianna Franch.

He holds an NSCAA Premier Coaching Diploma and USSF National Coaching License.

Dibbini graduated Cum Laude from Kansas Wesleyan University in 1999 with a degree in Elementary Education, and continued on to earn a Master of Business Administration in 2002.

As a student-athlete with two years at KWU and two at Bethany Lutheran (Minn.), Dibbini became a four-time All-Conference, All-Region and All-American selection. In 1997, Dibbini was ranked No. 2 in the NAIA for goals and points while also earning NAIA Academic All-Region and National Small College Player of the Year honors.

Originally from Palmdale, Calif., Dibbini was a two-time All-CIF First Team and Golden League Player of the Year honoree while at Palmdale High School. His high school career featured a CIF Player of the Year selection as well.

Dibbini and his wife Trina, also a Kansas Wesleyan graduate and Baldwin City, Kansas, native, have two children, Jada and Kadin.

GENE TAYLOR

Athletic Director | Eighth Season
Arizona State '80

PERSONAL

Year at K-State: Eighth
Date Hired: April 17, 2017
Spouse: Cathy | **Children:** Casey and Jared

EDUCATION

Arizona State (1980), B.A. Business Management
St. Thomas University (Fla.) (1985), M.S. Sports Admin.

Taylor's Trophy Case:

- 2023 NACDA FBS AD of the Year
- 2012 NACDA FCS Central Region AD of the Year
- 2012 Blue Key Honor Society Doctor of Service Award (NDSU)
- 2008 NACDA FCS Central Region AD of the Year

The last two years could go down as one of the most successful periods in K-State Athletics history as Gene Taylor's program has taken the college athletics world by storm. Team championships, individual titles, postseason runs, record crowds, continued academic success and new facility enhancements have all been the cornerstone of recent Wildcat success.

The 2023-24 campaign was highlighted by a Super Regional berth for Pete Hughes' baseball team, just the second time in program history that the Cats have won a regional and advanced to the supers, a Pop Tarts Bowl win for Chris Klieman's football team and a women's basketball season that saw the Wildcats rise to as high as No. 3 in the national rankings before hosting the 2024 NCAA First and Second rounds in Manhattan. Jason Mansfield's first season leading the volleyball program included record crowds in the new Morgan Family Arena and numerous wins over Top 10 opponents.

That all came on the heels of Klieman's football team winning the 2022 Big 12 Championship and playing in the Allstate Sugar Bowl, and Big 12 Coach of the Year Jerome Tang and his men's basketball squad making a remarkable run to the Elite Eight following a preseason poll that picked the Wildcats to finish last in the league. Both coaches were hired at K-State by Taylor, who was also named the 2022-23 Cushman & Wakefield FBS AD of the Year following a record year.

A former member of the College Football Playoff Selection Committee and current member of the LEAD1 Board of Directors, Taylor was named the Director of Athletics at K-State in April 2017. During his tenure K-State has seen the football program qualify for five bowls and win the 2022 Big 12 Championship, the men's basketball team win a Big 12 Championship, earn an Elite 8 appearance and advance to two NCAA tournaments, the baseball team win the Fayetteville Regional and the women's track and field team win back-to-back Big 12 Outdoor championships.

Additionally, Taylor and staff have fundraised and implemented a department-wide facility master plan that benefits all Wildcat teams including the newly completed Indoor Track and Field Complex, the new Morgan Family Arena for volleyball, Morris Family Olympic Training Center and the Shamrock Practice Facility for football.

Taylor, who named the eighth-best Athletic Director among FBS programs by Stadium in 2020, has implemented a strategic plan for the department which places an emphasis on the student-athlete experience, while his leadership in navigating the COVID-19 crisis, in addition to enhancing the department's already-strong diversity and inclusion program, has been well documented.

With the support of fans and donors, K-State Athletics has also continued to be financially self-sufficient and does not receive support from the university. In FY 2019, a year earlier than anticipated, the program ended the practice of receiving student privilege fees in support of the program. This move makes Taylor's program one of eight across the country to operate with no direct or indirect university and student funding or state support.

K-State Nation continues to support the athletics program in unprecedented fashion as overall pledges and cash gifts to the department during the 2024 fiscal year totaled $36.9 million, of which $26.1 million was designated for the Ahearn Fund annual giving program. Included in the $26.1 million in annual giving was a department record $1.1 million raised during the Powercat Auction.

Hiring and retaining top coaches is also a critical function of the program. Taylor hired Klieman to replace hall of fame coach Bill Snyder after winning four national titles in five seasons at North Dakota State, and in year four led the Wildcats to a Big 12 Championship. Taylor also hired Tang to lead the men's basketball program, Jordan Smith to take over the tennis program and Hughes in baseball, who took the Wildcats to just their second Super Regional in school history. Mansfield had a banner first year on the volleyball court as record crowds saw his squad knock off three Top 10 opponents at home. Stew Burke, in his first season in 2023-24, catapulted the women's golf program up the national ranks and narrowly missed on qualifying as a team for the NCAA Tournament in year one. The newest Wildcat is Travis Geopfert, who was hired in July to replace legendary track and field coach Cliff Rovelto after 36 years in Manhattan.

Graduating student-athletes remains the top priority for the department and academic success has continued under Taylor's guidance as K-State continues to rank among the top schools in the Big 12 in APR and graduation success rate.

Taylor is a 1980 business management graduate of Arizona State, and he received his master's degree in sports administration in 1985 from St. Thomas University in Florida. He worked in the ticket office at Southern Methodist University in 1985-86 before joining the Naval Academy. His tenure at Navy included serving as the commissioner of the five-team Collegiate Sprint Football League that includes Army, Navy, Penn, Princeton and Cornell. He served 13 years as Athletics Director at North Dakota State before being named Deputy AD at Iowa in 2014.

Taylor and his wife, Cathy, have a daughter, Casey, and a son, Jared.

Such compensation may not be based on the value the student-athlete may have for their employer because of the publicity, reputation, fame or personal following associated with their athletics ability.

Who is a "Prospective Student-Athlete" (recruit)?
The NCAA defines a prospective student-athlete (prospect) generally as any student who has started classes for the ninth grade (regardless of whether K-State is recruiting that individual). An individual remains a prospect until one of the following occurs:
- The individual officially registers and enrolls in full-time and attends classes in any regular term during K-State's academic year;
- The individual participates in a regular squad practice or competition at K-State that occurs before the beginning of the academic term (e.g., football, volleyball, or soccer in the fall); or
- The individual officially registers, enrolls and attends classes during the summer prior to initial enrollment and receives athletics aid.

Recruiting and Contact Rules for Prospective Student-Athletes
Only coaches and athletic staff members are permitted to be directly or indirectly involved in the recruitment of prospects. All representatives of the university who are not members of the athletic department staff are prohibited from contacting a prospect by telephone, in person (on or off campus), or in writing (including use of social media) for the purpose of encouraging his/her enrollment and or athletics participation at K-State. In addition, it is not permissible for Representatives to entertain high school, preparatory or junior college coaches who may have a recruit considering K-State Athletics. If there is a prospect in your area you may attend his/her games and/or make the K-State coaching staff aware of the prospect.

Preferential Treatment & Established Family Relationships:
NCAA rules and regulations concerning contact with prospects are not intended to affect established family relationships that pre-date an individual becoming a prospect. You should feel free to continue these relationships and remember that contact is permitted as long as it is not made for recruiting purposes and any benefits provided are the same as were provided prior to the individual becoming a prospect. However, please keep in mind that student-athletes are not permitted to receive preferential treatment, benefits, or services based on their athletics reputation or pay-back potential as future professional athletes.

Kansas State women's soccer letter winners must play in a minimum of five matches in a season, regardless of minutes played. The coaching staff also may award a letter at their discretion due to an extenuating circumstance. Due to the COVID-19 pandemic, players on the 2020 roster needed to play in two matches to receive a letter.

BUSER FAMILY PARK

K-State will enter its ninth season at one of the top facilities in all of NCAA Division I soccer in 2024. Fans have streamed through the gates in the first eight seasons, as the Wildcats have ranked among the top-35 in the nation in average attendance in six of the first eight seasons.

Built on the site of K-State's temporary facility from the first three seasons of the program, Buser Family Park broke ground during the 2018 season while exterior construction was completed in early August of 2019.

Buser Family Park provides just under 1,400 larger more comfortable bench seats for K-State's dedicated fanbase.

At the top of the seating area, a permanent press level including a television booth, a radio booth, operations booth, media seating and one suite for fans was also constructed.

At the end of the 2019 season, Kansas State's locker room, team lounge, visiting team locker room, K-State coaching staff offices, sports medicine and strength and conditioning were completed beneath the seating area when construction is completed.

The competition field, which was untouched during the construction, features one of the top natural playing surfaces in all of Division I soccer with a Bermuda grass surface and irrigation and drainage systems.

Buser Family Park witnessed an upgrade to the fan experience on game days in 2022, as K-State Athletics installed a new high-definition video display measuring 41 feet by 23 feet on the east side of the playing surface as well as upgraded audio technology around the grounds.

K-State became comfortable with their home surroundings in the inaugural season in 2016, registering a 2-1-1 home record, including a three-match unbeaten streak to end its inaugural home schedule.

Dr. Richard H. Linton serves as the 15th president of Kansas State University. He holds a bachelor's degree in biology, a master's degree in food science and a doctorate in food science, all from Virginia Tech University. He participated in the Food Systems Leadership Institute from 2009-2011 and completed the Harvard Graduate School's Institutional Educational Management Program in 2018.

Before coming to K-State in February 2022, Linton served as dean of the College of Agriculture and Life Sciences at North Carolina State University from 2012-2022, as department chair of food science and technology at The Ohio State University from 2011-2012, and as a faculty member of the department of food science at Purdue University from 1994-2011. While at Purdue, Linton also served as the founder and director of the Center for Food Safety Engineering and as the associate director of agricultural research programs.

As dean of the College of Agriculture and Life Sciences, or CALS, at NC State, Linton led a college of over 300 faculty, with more than 3,000 undergraduate students and 1,000 graduate students. Under his direction, the college developed a new strategic plan focused on building people, programs and partnerships. Collaboration with industry and government were critical to the mission of the college, and Linton's dedication was demonstrated through the NC Plant Sciences Initiative and the NC Food Processing and Manufacturing Initiative, two endeavors that have the potential to create jobs, find solutions to global challenges in agriculture and foster support for local growers. During his tenure at NC State, competitive research for CALS reached $100 million a year and his college raised $482 million for the NC State Capital Campaign.

Linton held many important leadership roles in addition to serving as dean. He continues to serve as a member of the Food and Drug Administration's Science Advisory Board, as well as the chair for the Binational — Israel/U.S. — Ag Research and Development Fund, a role to which he was appointed in 2018 by the U.S. secretary of agriculture. He also previously chaired the North Carolina Governor's Task Force on Food Manufacturing and the APLU-Healthy Food Systems, Healthy People Steering Committee.

President Linton and his wife, Sally, an ADHD/executive function life coach, have two children: a daughter, Lily, and a son, Chris.

MEDIA INFORMATION

Thank you for your interest in Kansas State women's soccer. The K-State Athletics Communications Office has produced the 2024 media almanac to assist in your coverage of the Wildcats. Please feel free to contact any member of our staff with questions, requests or concerns. We look forward to working with you throughout the 2024 season.

MEDIA INTERVIEWS

All interviews with Kansas State players and coaches must be requested and arranged through the K-State Athletics Communications Office. Please be advised that all interview requests must be submitted **24 hours in advance**. Players and coaches' home or mobile phone numbers will **NOT** be given out.

Practices are closed to the public and the media. Players and coaches will be made available for interviews immediately following practice on specified days at Buser Family Park. All interview requests for post-practice interview sessions must be made in advance with the K-State Athletics Communications Office. Please be advised that regularly scheduled interview days may not be conducted due to team travel or moved to an indoor location due to weather.

Game day interviews are not permitted unless request is affiliated with the television network broadcasting that day's match. See 'Postgame Policy' for additional information.

PRESS PARKING

Press parking is located in the west lot of Bill Snyder Family Stadium/Bramlage Coliseum and can be accessed off of College Avenue through Gate 1 or off Kimball Avenue through Gate 5.

VISITING RADIO

To inquire about using existing radio courtesy lines, visiting radio stations should contact Randy Peterson, Director of Women's Basketball and Soccer Communications - at 785-532-7975 or by email: rpeterson@kstatesports.com. Only those stations recognized as the official originator for the visiting team will be afforded broadcast facilities.

PHOTOGRAPHERS

Only accredited photographers on assignment from recognized media outlets will be issued sideline credentials. In accordance with NCAA rules, no freelance photographers will be admitted on the sidelines. All photographers must have a media pass and photo vest to shoot on the sidelines of Buser Family Park. Flash photography is prohibited.

WEBSITES

Kansas State reserves the right to deny media credentials to any individual whose website is not affiliated with an official news-gathering organization or publication. Credentials will be issued to official online services of national, over-the-air or cable networks or established publications which are staffed by full-time employees (i.e. ESPN.com, SI.com, CBS Sports, etc.) and then with a maximum of one credential.

Credentials will not be granted to any online agency operating sites that are in any way affiliated with gambling, or to "freelance" or "fan-based" sites that are not affiliated with a legitimate news gathering organization. Membership in a writer's association (i.e. USBWA) does not automatically qualify an agency for credentials.

Additionally, online services are prohibited from "real time" (also known as "cybercast") transmission of all Kansas State Athletics events. Those rights are co-owned by Kansas State University, the Big 12 Conference and Learfield Communications.

POSTGAME POLICY

Kansas State's locker room is closed. Media will be asked to submit a list of player requests to Randy Peterson, Director of Women's Basketball and Soccer Communications, during the last 10 minutes of the match. Coach Dibbini and requested players will be available on the field following a brief team meeting.

WE ARE K-STATE

When referring to Kansas State University, please only use the terms **Kansas State** or **K-State**. Please refrain from using KSU, Kansas St., Kan. St., or any other variation. The only acceptable nicknames include **Wildcats** or **Cats**. In addition, K-State plays in the **Big 12 Conference** or **Big 12**. Please do not use roman numerals (Big XII) when referring to the Conference. Your cooperation is appreciated.

CREDENTIAL POLICY AND OTHER GUIDELINES

WORKING CREDENTIALS

The Kansas State Athletics Communications Office should receive all credential requests no later than five days prior to the specified game. Requests can be made on official letterhead and addressed to:

Women's Soccer SID
Kansas State Department of Athletics
West Stadium Center, 1800 College Avenue
Manhattan, KS 66502-3355

Requests may also be faxed to the Athletics Communications Office at 785-532-6093 or sent via e-mail to Randy Peterson (rpeterson@kstatesports.com). Because of mail service, media passes will not be mailed in most instances. If this is the case, passes may be picked up one hour before kick-off at the ticket booth at the entrance to Buser Family Park. Individuals picking up credentials will be required to furnish positive identification. All credentials are non-transferable and are issued based on Kansas State's credential policy.

Credentials and working space for media members are issued at the sole and exclusive discretion of the Kansas State Athletics Communications Office based on the following priorities and guidelines:

1. Originating radio and television personnel involved in a live broadcast.
2. Daily newspapers and websites regularly covering Kansas State University, the current-game opponent or another Big 12 school. Wire services, regional and national publications are also afforded this priority.
3. Non-originating radio and television personnel producing reports on the game. Only local radio stations with a full-time sports director conducting a regular sports show receive consideration.
4. Officially recognized Kansas State University student publications or electronic media outlets.
5. Non-daily newspapers reporting on the game.

OTHER CREDENTIAL GUIDELINES

1. With the exception of beat writers covering Kansas State daily, all passes are issued on a game-by-game basis with consideration of available working space.
2. Passes are non-transferable and are subject to immediate revocation if transferred to non-working members of a media outlet.
3. Kansas State University and the NCAA prohibit the issuance of credentials to representatives of organizations that regularly publish gambling information, such as "tout" or "tip" sheets.
4. Kansas State University reserves the right to deny media credentials to any individual whose website is not affiliated with a recognized news-gathering organization.
5. All persons picking up credentials will be required to furnish positive identification. All credentials are non-transferable.
6. Spouses, dates, non-workers and anyone under 16 years of age are not permitted in the working press area.
7. Restrictions have been made on the usage of internet video of K-State Athletic events. Highlights of game action and/or press conferences from K-State events are limited to and cannot excede three (3) minutes in length per event.
8. Each outlet requesting credentials will be permitted a MAXIMUM of TWO "on-field" passes which can be designated for still photography or video use. These two passes MUST be utilized in a working fashion and each user must check out a PHOTO VEST from the press level (which must be worn on the field at all times).
